

OU Global Risks & Threats Series Leadership Forum Session 2: Reopening in a Post-COVID World Offered July 18

La **Universidad de Oklahoma** presenta el segundo Foro de Liderazgo de la serie de cuatro partes de *OU Global Risks & Threats con líderes de los sectores de inteligencia, finanzas, aplicación de la ley, corporativos y cibernéticos*.

OU GRTS es un esfuerzo colaborativo entre la Facultad de Negocios Michael F. Price y el Centro OU para Inteligencia y Seguridad Nacional, un Centro Comunitario de Inteligencia de Excelencia Académica.

El sábado 18 de julio está programado el encuentro “Reopening in a Post-COVID World” entre las 10:00 am y 12:40 pm (hora EE. UU.) En la sesión se abordarán cuestiones relacionadas con los negocios después del COVID, incluido el fortalecimiento de la cadena de suministro global. La serie se ofrece de forma gratuita al público por el patrocinador Manufacturing Talk Radio en www.mfgtalkradio.com y a través de YouTube. Información adicional, incluyendo una agenda completa, biografías y registro de presentadores, así como oradores pasados y futuros, está disponible en línea en price.ou.edu/GRTS.

Adriana Sanford, directora y fundadora de OU GRTS y Senior Fellow en OU CINS, dirigirá cada evento y lo presidirá durante toda la serie. La inauguración de OU GRTS, el 6 de junio pasado, se transmitió en vivo, permitiendo que decenas de miles de participantes reciban orientación experta.

La cita contará con la participación de:

- **Lucian Cernat**, Head of Global Trade Regulations & International Procurement Negotiations, and former Chief Trade Economist at the European Commission.
- **Horacio Gutiérrez**, Spotify's Head of Global Affairs & Chief Legal Officer. former Microsoft General Counsel and Corporate Vice President.
- **Brian Hinman**, Chief Commercial Officer for Aon Intellectual Property Solutions; former Chief IP Officer at Philips; former IBM Vice President.
- **Matt Addington**, Former Drug Enforcement Administration Special Agent; former CIA Operations Officer (Narco-Terrorism and Global Security Threats).
- **Gerold Knight**, Group Chief Risk Officer for Coca-Cola Hellenic.
- **Christopher Libertelli**, Former Global Head of Policy at YouTube; former Global Public Policy at Netflix; former Senior Legal Advisor to the FCC.
- **Seth Schachner**, Managing Director of Strat Americas; former senior digital business executive at Sony Music, Microsoft, Liberty Media, Viacom and AOL's first executive for music.

Los patrocinadores corporativos, las organizaciones mundiales y los aliados que apoyan este esfuerzo durante una época de crisis mundial incluyen a AON Corp., Willis Towers Watson, Ernst & Young, ISC2, Spotify, Coca-Cola Hellenic Bottling Co., el Instituto de Gobierno de Basilea, la Fuerza de Tarea 7, Puga Ortiz Abogados, Berliner Corcoran y Rowe, Reportero Internacional de Leyes de Aplicación, Peritus Partners, Strat Americas, ManchesterCF, WorldTowning and Search Consultants International. Se realizarán dos sesiones adicionales en agosto y septiembre.

OU Global Risks & Threats Series Leadership Forum Session 2: Reopening in a Post-COVID World Offered July 18

The **University of Oklahoma** is presenting the second in the four-part OU Global Risks & Threats Series Leadership Forum with leaders from the intelligence, finance, law enforcement, corporate and cyber sectors. OU GRTS is a collaborative effort between the Michael F. Price College of Business and the OU Center for Intelligence and National Security—an Intelligence Community Center of Academic Excellence.

Reopening in a Post-COVID World, which is scheduled for 10:00 a.m. to 12:40 p.m. Central Time (USA) Saturday, July 18, will address business-related post-COVID issues, including strengthening the global supply chain. The series is offered complimentary to the public by sponsor Manufacturing Talk Radio at www.mfgtalkradio.com and via YouTube. Additional information, including a full agenda, presenter bios and registration, as well as past and future speakers, is available online at price.ou.edu/GRTS.

Adriana Sanford, founding director of OU GRTS and Senior Fellow at OU CINS, will lead off each event and preside throughout the series. The OU GRTS inauguration on June 6 was livestreamed, allowing tens of thousands of participants to receive expert guidance.

The lineup for the July 18 event is:

- **Lucian Cernat**, Head of Global Trade Regulations & International Procurement Negotiations, and former Chief Trade Economist at the European Commission.
- **Horacio Gutiérrez**, Spotify's Head of Global Affairs & Chief Legal Officer. former Microsoft General Counsel and Corporate Vice President.
- **Brian Hinman**, Chief Commercial Officer for Aon Intellectual Property Solutions; former Chief IP Officer at Philips; former IBM Vice President.
- **Matt Addington**, Former Drug Enforcement Administration Special Agent; former CIA Operations Officer (Narco-Terrorism and Global Security Threats).
- **Gerold Knight**, Group Chief Risk Officer for Coca-Cola Hellenic.
- **Christopher Libertelli**, Former Global Head of Policy at YouTube; former Global Public Policy at Netflix; former Senior Legal Advisor to the FCC.
- **Seth Schachner**, Managing Director of Strat Americas; former senior digital business executive at Sony Music, Microsoft, Liberty Media, Viacom and AOL's first executive for music.

Corporate sponsors, global organizations and allies supporting this effort during a time of world crisis include AON Corp., Willis Towers Watson, Ernst & Young, ISC2, Spotify, Coca-Cola Hellenic Bottling Co., Basel Institute on Governance, Task Force 7, Puga Ortiz, Berliner Corcoran and Rowe, International Enforcement Law Reporter, Peritus Partners, Strat Americas, ManchesterCF, WorldTowing and Search Consultants International. Two additional sessions will occur in August and September.
